## Education

---

### **PhD, Social Psychology** (August 2012-August 2017)

*University of Florida, Gainesville, FL*

- Led multiple large team projects managing a total of 274 researchers from 33 countries.
- Conducted 42 psychological studies involving 23,199 participants across varied contexts.
- Delivered high-impact results with 16+ publications, 3,200+ citations, and two of the most cited Psychology papers from [2014](#) and [2018](#).

### **MS, Social Psychology** (August 2012-May 2014)

*University of Florida, Gainesville, FL*

### **BS, Psychology; BS, Finance** (May 2007-May 2011)

*Pennsylvania State University, University Park, PA*

## Professional experience

---

### **Postdoctoral Researcher** (December 2019-November 2022)

*Tilburg University*

- Led team assessing privacy risks in 2,000+ research datasets to develop recommendations to decrease risks to research participants.
- Secured €50,000 grant to develop [DataCheck](#), a tool to automatically detect privacy risks.
- Used varied statistical techniques to reanalyze 100+ projects, and created a workflow for researchers to identify alternative analyses.

### **Postdoctoral Researcher** (January 2018-November 2019)

*Université Grenoble Alpes*

- Conducted research on romantic relationships using surveys and sensitive physiological sensors.
- Developed complex analysis scripts to merge data from various sources and perform analysis in R.
- Taught Introduction to Research and Data Analysis

### **Research Coordinator** (2015-2017)

*Project Implicit, [implicit.harvard.edu](http://implicit.harvard.edu)*

- Responsible for improving user experience in research studies to prevent attrition.
- Quality tested, deployed, and monitored research studies for site with 90,000+ visitors per month.

### **Instructor / Graduate TA** (2013-2017)

*University of Florida*

- Taught Introduction to Psychology (excellent teaching evaluations: 4.42/5)
- Provided educational support for four varied courses in Psychology and research methods.

### **Lab Manager and Undergraduate Teaching Assistant** (2011-2012)

*Pennsylvania State University*

## Skills

---

Experimental design | Research methods | A/B testing | Statistical data analysis |  
Interpreting research results | Social psychology | R | Rmarkdown | Tidyverse |  
SPSS | Qualtrics | GitHub | English (native) | French (intermediate)
