## Education

---

### **PhD, Social Psychology** (2012-2017)

*University of Florida, Gainesville, FL*

- Led large team projects coordinating a total of 274 researchers from 33 countries to conduct 42 studies involving 23,199 participants across 16 languages.
- Communicated findings through talks and publications to varied audiences, including two of the top 1% most cited Psychology papers from 2014 and 2018.

### **MS, Social Psychology** (2012-2014)

*University of Florida, Gainesville, FL*

### **BS, Psychology; BS, Finance** (2007-2011)

*Pennsylvania State University, University Park, PA*

## Professional experience

---

### **Postdoctoral Researcher** (December 2019-November 2022)

*Tilburg University*

- Led initiative to identify and classify privacy risks in 2,000 datasets, and then use these insights to develop an R package to automatically detect common violations.
- Reproduced results from 100+ projects using varied statistical techniques, and established a protocol for researchers to explore alternative analysis strategies through multiverse analysis.

### **Postdoctoral Researcher** (January 2018-November 2019)

*Université Grenoble Alpes*

- Conducted research on romantic relationships using surveys in tandem with highly sensitive body-worn physiological sensors.
- Developed complex analysis scripts to merge data from various sources and perform analysis in R.
- Taught undergraduate course Introduction to Research and Data Analysis

### **Research Coordinator** (2015-2017)

*Project Implicit, [implicit.harvard.edu](http://implicit.harvard.edu)*

- Quality tested, deployed, and monitored studies for site with 90,000+ visitors per month.

### **Instructor** (Fall 2014, Summer 2015)

*University of Florida - Introduction to Psychology*

- Excellent teaching evaluations (4.42/5)

### **Lab Manager and Teaching Assistant** (2011-2012)

*Pennsylvania State University*

## Skills

---

Experimental design | Research methods | A/B testing | Statistical data analysis |  
Interpreting research results | Social psychology | R | Rmarkdown | Tidyverse |  
SPSS | Qualtrics | GitHub | English (native) | French (intermediate)
